LETTER OF KOSHER CERTIFICATION

May 1, 2026

TO WHOM IT MAY CONCERN,

This is to certify that the following products, manufactured by GELNER GIDA A.S., located in Gonen/Balikesir, Turkey, are made under my supervision in full accordance with Orthodox Jewish Dietary Laws:

EDIBLE BOVINE GELATINE (Powder and Leaf)
COLLAGEN PEPTIDE (Type 1 & 3)

These products are manufactured exclusively from cattle hides, chemically purged of all extraneous material. According to Jewish Law, hides in this state are not included in any of the categories of forbidden foods.

A detailed explanation for the approval of the aforementioned products, including the chief sources in Jewish Law relating to this subject, is available upon request.

The GELNER products manufactured at the above location are Kosher and Pareve. The gelatin is kosher for Passover. I hereby endorse them as Kosher under the "Shin-K" symbol. NOTE: When received directly from GELNER these products are certified kosher even when lacking the "Shin-K" symbol.

This certification is effective through April 30, 2027, and is subject to renewal at that date.

Sincerely Yours,

Rabbi Noah S. Sheinkopf
